STEEL - HONED

SIZE GUIDE

DIMENSIONS IN MM

WIDTH	600	400
LENGTH	600	400
DEPTH	21	15

DESCRIPTION

Steel was based on the unique composition of marble and cement developed in Platinum Terrazzo Tiles - a favourite of many leading interior designers and architects. Steel introduces a bold blue grey tone to the range that's reminiscent of unfinished steel.

Steel Terrazzo Tiles are ideal for both residential and commercial flooring applications as they possess a high slip resistance, require minimal ongoing maintenance and have a lifespan of over 30 years.

SLIP RATING

PRODUCED STANDARD IN HONED FINISH, FIBONACCI STONE TERRAZZO TILES ARE TESTED USING WET PENDULUM AND WET BAREFOOT TESTS AND MEET THE MINIMUM CLASSIFICATION REQUIREMENTS FOR MOST DOMESTIC AND COMMERCIAL APPLICATIONS.

FINISHES CAN BE MODIFIED TO ACHIEVE HIGHER CLASSIFICATIONS IF REQUIRED.

MATERIAL NATURAL STONE AND CEMENT
NOTE PRODUCT VARIATION MAY OCCUR DUE TO NATURAL MATERIALS USED

TIMELESSLY COMPOSED
